ABOUT NEBTEK

NEBTEK has been in developing and manufacturing equipment for the film and broadcast industry since 1986. Our Playback Technicians and DIT specialist have over 100+ films and commercials under their belts; working all over the world. We are the go to guys for custom carts, Playback systems (with QTAKE), and any other service you may need.

Our catalog only represents our main products that we design and manufacturing in the US. If you don't see the product you need for your next job, give us a call. We are flexible and can customize nearly all our products to meet your needs.

Gaylen Nebeker is the Founder and CEO of NEBTEK Inc. Since 1986 he has been on the forefront in Video Assist. He is also a DIT and HD RF tech. Having worked at all levels of productions from local ads to national campaigns, television and major motion pictures. He lends his expertise to creating new equipment to support 4K, 3D, HD, video assist professionals in the motion picture industry.

What is QTAKE PRO 2.0?

Our future-proof platform, built on the latest technologies, with brand new features and new licensing options is now available. Join us to start the next chapter of video assist! What are the new features of QTAKE PRO?

- Native Silicon Support
- Instant Playback
- Single Sign-on via SAML 2.0
- Blackmagic RAW
- License Activation & Deactivation
- Custom Bundle discounts and Long-term Rentals available!

New Licensing Plans

The new QTAKE PRO features a new long term rental plan which can be customized to fit your on-set needs. This new licensing plan will include PRO with every new streaming plan, including QTAKE Live.

Long-term rentals are available for those looking for a new 1-year and 3-year rental plan. Please contact a Nebtek sales person for details.

TRADE-IN OFFER?

Do you own a permanent license? If so, Cinetique is offering a trade-in offer for those who have a permanent license. This discount includes 1-free year of QTAKE PRO 2.0, starting in March 2022 and ending in March 2023. The sooner you trade-in your dongle, the more free time of QTAKE PRO you will receive.

If you purchased your license within March 2019 March 2022, you might qualify for a recent purchase trade-in offer. This offer reduces the price of a 1Y/3Y QTAKE PRO 2.0 long-term rental. Contact your sales person for details.

NX4 - QTAKE PRO, 4-CAMERA, ALL-IN-ONE PLAYBACK SYSTEM

Nebtek's 4-camera powerhouse system combines maximum portability with versatility. The custom designed aluminum chassis provides power distribution, video wiring, audio wiring, and cooling. All professionally made. We've improved our systems to provide better cooling and DC power distribution throughout the entire machine. This is the top-of-the-line QTAKE system.

Need a custom system? Let's talk! We are here to make your life on set easier!
